Representative Reeve,

After looking at all the data (NOV. aerial photo, land use agreement, 2 complaints we received), we will rescind the NOV to SCORE. They will receive a copy of the violation with the notation "rescinded " on it.

Thank you for interceding on this.

Gentleman,

I apologize for bothering you with this request, but it does pose a rather interesting problem. Will you please review the attached e-mail and provide me with your thoughts so that I might be able to get back to Mr. Kowalski with an answer.

Thank you,
Amanda
